**RESOLUTIONS OF VILLAGE OF TRUMANSBURG BOARD OF TRUSTEES MAKING
NEGATIVE DECLARATION OF ENVIRONMENTAL IMPACTS, APPROVING
RECOMMENDATIONS OF AND REFERRALS FROM COMPREHENSIVE PLAN COMMITTEE,
AND FORMALLY ADOPTING 2021 VILLAGE OF TRUMANSBURG COMPREHESIVE PLAN**

WHEREAS, the Village Trumansburg Village Board of Trustees proposes to adopt amendments and updates to the Village of Trumansburg Comprehensive Plan to reflect conditions that have changed since 2008, and the entirety of the Comprehensive Plan has thus been restated into one and the same integrated whole document entitled “Trumansburg Comprehensive Plan, 2021” (hereafter the “Comp. Plan”); and

WHEREAS, under the supervision of the Mayor, the Board of Trustees appointed a Comprehensive Plan and Zoning Revision (the “CPZR”) Committee to guide the process, and with the assistance of planning consultant EDR, the CPZR developed the Village of Trumansburg 2021 Comprehensive Plan, its amendments and updates, and the environmental documentation underlying the Comp. Plan and the environmental review thereof; and

WHEREAS, the Comp. Plan includes an updated 20-year vision statement, goals, strategies, prioritized actions, resource maps, community survey results, updated demographic information, and recommendations for improved zoning and other land use regulations considering climate change, future growth and development, and these updates are needed to provide residents and local decision-makers with the data and guidance they need to make informed decisions about the Village’s future; and

WHEREAS, CPZR provided a copy of the draft Comp. Plan to the Village Board of Trustees in January, 2021, the draft Comp. Plan was posted on the Village’s website in January 2021 to provide continuous access to the draft Comp. Plan for public review and comment, and the Board of Trustees carefully reviewed the January draft Comp. Plan over several months which resulted in revisions to the draft Comp. Plan; and

WHEREAS, the CPZR properly noticed and held a public hearing at the Farmer’s Market on September 20, 2021, to hear public comments on the draft Comp. Plan, and by resolution dated September 20, 2021 the CPZR submitted their approved draft Comp. Plan to the Village Board of Trustees for review and consideration for adoption; and

WHEREAS, the Village Board of Trustees held a virtual public information meeting to review the draft Comp. Plan and the comprehensive plan adoption process on July 26, 2021 from 7:00pm to 9:00pm, and the Village Board of Trustees further held an in-person public meeting for the public to review the draft Comp. Plan at the Farmer’s Market on August 17, 2021; and

WHEREAS, the proposed Action under SEQRA is administrative in nature, involving the adoption of the Comprehensive Plan by the Board of Trustees, and the proposed action does not include the adoption of any local laws, zoning modifications, or amendments to other land use regulations, and the Village reviewed Part 1 of the FEAF and (i) deemed it complete and adequate on July 12, 2021, (ii)

undertook to commence becoming the Lead Agency for environmental review, and (iii) classified the Action as a Type I Action per 6 NYCRR 617.4; and

WHEREAS, in accordance with the provisions of 6 NYCRR Part 617, the Board of Trustees of the Village of Trumansburg gave notice that it intends to serve as Lead Agency for the SEQRA review of the Action, and served a copy of Part 1 of the FEAF to the Involved/Interested Agencies along with a notice of intent and request for comments relative to the Project, and no other agency has objected to the Village Board of Trustees being SEQRA Lead Agency, and more than 30 days has passed since such notice and information was provided such that the Village confirms and re-declares itself as lead agency for environmental review for this Action; and

WHEREAS, the Village Board having commenced a coordinated SEQRA review, and having updated FEAF Part 1 and reviewed FEAF Parts 2 and 3, and having further scheduled a final public hearing to consider adoption of the Comp. Plan and to obtain further public comment and evidence upon the environmental review thereof; and

WHEREAS, pursuant to General Municipal Law section 239-l, *et seq.*, the FEAF Part 1 and draft updated Comp. Plan were referred to the Tompkins County Department of Planning and Sustainability, and by response dated September 21, 2021 the county determined and recommended as follows:

Natural Resources and Environmentally Sensitive Areas

- We recommend expanding the Strategy on page 62 to read: “Update or establish regulations to improve natural resource protection including surface waters, woodland, wetlands, and floodplains, unique natural areas, and stream buffers.” This modification is recommended to help preserve and protect the distinct properties of the Frontenac Creek Glen UNA located in the Village of Trumansburg and to help preserve and protect water quality.

Climate Change

- We recommend broadening the Strategy on page 76 to read: “Encourage and incentivize energy conservation, the use of heat pumps for heating and cooling, and the use of alternative energy sources for homeowners, rental property owners, and businesses.”
- We further recommend adding an Action (like the earlier Action for Village buildings) to “Require new buildings and encourage existing building owners to consider the use of alternative energy sources such as solar and wind energy generation systems.”

; and

WHEREAS, The Village has incorporated all of the official recommendations of the County and this resolution shall constitute the reply of the Village to County recommendations under the planning referral requirements of the GML section 239-m(6) and Village Law section 7-722(5)(b), and the Village specifically explains and replies to the County as follows:

Natural Resources and Environmentally Sensitive Areas

- We have expanded the Strategy on page 62 to read: “Update or establish regulations to improve natural resource protection including surface waters, woodland, wetlands, and floodplains, unique natural areas, and stream buffers.”

Climate Change

- We have broadened the Strategy on page 76 to read: “Encourage and incentivize energy conservation, the use of heat pumps for heating and cooling, and the use of alternative energy sources for homeowners, rental property owners, and businesses.”
- We have added an Action to “Require new buildings and encourage existing building owners to consider the use of alternative energy sources such as solar and wind energy generation systems.”

; and

WHEREAS, the Village Board of Trustees held a public hearing on November 8, 2021 to hear comments from the public on the Comp. Plan, as well as its potential environmental impacts, and all members of the public wishing to speak and be heard, or wishing to submit documents and evidence, were allowed to so proceed, and the matters so presented or submitted have been or were duly considered, and the Village Board has now determined that it: (i) has complied with Article 7 of Village Law respecting all procedures; (ii) has or now will attend to all requirements of SEQRA; and (iii) has sufficient information to make the determinations of significance under SERQA and make a final decision respecting the Comp. Plan and its adoption; and

WHEREAS, as Lead Agency the Village Board of Trustees considered and analyzed each of the potential identified impacts in relation to the question of whether such impacts were so probable of occurring or so significant as to require a positive declaration of environmental impact(s), and after weighing the actual and potential impacts arising from or in connection with this updated Comp. Plan, and after duly noting that the goals and priorities of the existing comprehensive plan were not changed in a wholesale manner, but updated to 2021, and no new or substantial re-ordering of resource priorities has here occurred, as also confirmed by the CPZR, such that, after also considering and weighing (i) the probability of each potential impact occurring, including weighing the speculative nature of some potential future contingencies and the potential non-speculative nature of others, (ii) the duration of each potential impact, (iii) the irreversibility of each potential impact, including a consideration of permanently lost resources of value, (iv) whether each potential impact can or will be controlled or mitigated by permitting, reviews, or other regulatory processes, (v) the regional consequence of the potential impacts, (vi) the potential for each impact to be or become inconsistent with the Village’s master or comprehensive plans, both existing and as amended, as well as local needs and goals, and (vii) whether any known objections to the Plan relate to any of the identified potential environmental impacts, the Village Board found that these factors did not cause any potential negative environmental, or related social or resource impact to be or be likely to become a moderate or significant negative environmental impact, and upon a review and discussion of Part 2 of the FEAF on the record, and a consideration of the impacts relating to all areas of potential environmental concern, the Village Board has directed the confirmation and completion of FEAF Part 3, and the issuance of a negative declaration respecting this action; so

NOW THEREFORE, BE IT RESOLVED BY MEMBERS OF THE VILLAGE OF TRUMANSBURG BOARD OF TRUSTEES AS FOLLOWS:

1. The Village Board of Trustees for the Village of Trumansburg be and hereby is again declared to be the Lead Agency.

2. Based upon a thorough examination and analysis of the FEAF, and review of the SEQRA regulations at 6 NYCRR 617.7, and based upon input from other Involved and Interested Agencies, members of the public, and the Village Board's knowledge of the area surrounding the Project, the Village Board has considered reasonably related long-term, short-term, direct, indirect and cumulative impacts, and while the Village recognizes that, over time, the implementation of recommended actions contained within the Comp. Plan are intended to create opportunities for housing, business, and protection of the environment and the protection and development of community character, the overall extent of future or potential impacts is uncertain until such time that specific actions are identified. Moreover, the Comp. Plan itself mitigates the likelihood of future moderate or large impacts by providing this guidance respecting development and future rules and codes, and by promoting full administrative and environmental reviews respecting approvals and the built environment. Thus, to illustrate and further document this analysis, the Village Board makes additional specific findings with respect to SEQRA supporting these mitigating and future mitigative conclusions:

- a. Impact on Land: The updated Comprehensive Plan establishes goals for future land use and business development that respects the quality of life in Trumansburg. These goals can be achieved through review and updating local land use regulations including the Village Zoning Ordinance. As a relatively built-out community, future development will occur as infill development on vacant and underutilized properties in already developed neighborhoods as well as new development on undeveloped buildable parcels. When specific actions or site-specific projects are proposed by either public or private sector sponsors, review in compliance with State and Village Environmental Quality Review processes will be required.
- b. Impact on Geological Features: The proposed action is not anticipated to result in the modification or destruction of, or inhibit access to, any unique or unusual geology and land forms.
- c. Impacts on Surface Water: The updated Comprehensive Plan establishes goals and strategies that discourage future development from encroaching upon surface waters or otherwise adversely affecting wetlands or other surface water bodies. The updated Comprehensive Plan establishes strategies and actions to improve stormwater management, drainage, and erosion and sediment control.
- d. Impact on Groundwater: The proposed action is not anticipated to result in significant new or additional use of groundwater or have the potential to introduce contaminants to groundwater resources or an aquifer. Surficial aquifers exist to the west-southwest of the Village in Ulysses.
- e. Impact on Flooding: The proposed action is not anticipated to result in development on lands subject to flooding.
- f. Impact on Air: The adoption of the updated Comprehensive Plan will not adversely affect air quality or include state regulated air emission sources.
- g. Impact on Plants and Animals: The adoption of the updated Comprehensive Plan will not adversely affect natural resources including plants and animals.

- h. Impact on Agricultural Resources: The updated Comprehensive Plan does not recommend or create conditions that might adversely affect agriculture or otherwise encourage the development of agricultural properties.
- i. Impact on Aesthetic Resources: Adoption of the updated Comprehensive Plan is not anticipated to adversely affect aesthetic resources.
- j. Impact on Historic and Archeological Resources: The proposed action is not anticipated to adversely affect historic and archeological resources.
- k. Impact on Open Space and Recreation: The proposed action is not anticipated to result in a loss of recreational opportunities or a reduction of open space resources.
- l. Impact on Critical Environmental Areas: The proposed action will not adversely affect established Critical Environmental Areas.
- m. Impact on Transportation: Adoption of the updated Comprehensive Plan will not result in adverse impacts on transportation.
- n. Impact on Energy: The proposed action is not anticipated to cause an increase in the use of any form of energy.
- o. Impact on Noise, Odor, and Light: The proposed action is not anticipated to result in noise, odor or outdoor lighting.
- p. Impact on Human Health: The updated Comprehensive Plan is not anticipated to have an adverse impact on human health for example, from exposure to new or existing sources of contaminants.
- q. Consistency with Community Plans: The proposed action is consistent with the recommendations of the Village's 2008 Comprehensive Plan that recommends periodic review and updating of the plan.
- r. Consistency with Community Character: The updated Comprehensive Plan is consistent with existing community character and intended to maintain and enhance community character and aesthetics with, for example, recommendations to establish up to date commercial design and development guidelines and standards.

3. Therefore, the Village Board, in accord with Article 8 of the New York State Environmental Conservation Law and SEQRA regulations promulgated thereunder, and based upon (i) its thorough review of the FEAF, and any and all other documents prepared and submitted with respect to this proposed action and its environmental review and the comments, findings, and analyses therein and based thereupon, (ii) its thorough review of the potential relevant areas of environmental concern to determine if the proposed action may have any moderate or significant adverse impact on the environment, including, but not limited to, the criteria identified in 6 NYCRR § 617.7(c), and (iii) its completion of the FEAF, including the findings noted therein, which findings are incorporated herein as if set forth at length, finds that the proposed action of approving the 2021 updated Village of Trumansburg Comprehensive Plan will not individually or cumulatively have any moderate or

significant negative environmental consequences or impacts, and the Village Board therefore hereby makes and declares a negative determination of environmental significance (a “Negative Declaration”) in accordance with SEQRA for the above referenced proposed action, and determines that an Environmental Impact Statement is therefore not required.

4. A responsible officer of the Village Board be and is hereby authorized and directed to complete and sign the determination of significance, confirming the foregoing Negative Declaration, which fully completed and signed FEAF, findings statement, and determination of significance shall be incorporated by reference herein, and the Village Clerk is directed to file copies hereof in the official records of the Village, and to deliver or file a copy of this Resolution and Negative Declaration with (i) all Involved and Interested Agencies, and (iii) any person requesting a copy, and (iii) County Planning per Village Law section 7-722(12); and the Village Clerk be further directed to (iv) complete and file a summary and notice hereof with NYSDEC for publication in the Environmental Notice Bulletin (ENB), by sending such notice, in forms required by the DEC, to the ENB at 625 Broadway, Rm. 538, Albany, NY 12233-1750 (or via delivery to the ENB electronically at www.dec.state.ny.us, as required by 6 NYCRR § 617.12).

5. Based upon a thorough examination and review of the draft Comprehensive Comp. Plan by the CPZR, the Village Board of Trustees, the Village Planning Board, and the Tompkins County Planning Department, as well the feedback and input of Village residents, the Village Board of Trustees for the Village of Trumansburg hereby approves and adopts the Village of Trumansburg Comprehensive Plan dated November 8, 2021.

6. This Resolution shall take effect immediately.

WHEREAS, Nancy Zahler has worked tirelessly in service to the public good and the greater Trumansburg and Ulysses community throughout her professional career; and,

WHEREAS, Nancy has always served the best interests of her community both through her career choices and through volunteer service with the Christmas Bureau and many other organizations; and,

WHEREAS, Nancy joined the Town of Ulysses Board in 2012 and immediately began to make a meaningful and positive impact as a liaison to the Village, the Trumansburg/Ulysses Youth Commission, and Village Fire and EMS Departments; and,

WHEREAS, Nancy has consistently been both a trusted colleague and respectful challenger while working on many Village and Town issues over the years; and,

WHEREAS, through her leadership, tireless work ethic, and dedication, Nancy has been instrumental in ushering in a new era of Town and Village cooperation that persists to this day; and,

WHEREAS, as a Councilperson, Deputy Supervisor, and Supervisor for the Town of Ulysses, Nancy has led with dedication and devotion to the public good at every turn;

NOW THEREFORE, BE IT RESOLVED, that the Village of Trumansburg Board of Trustees hereby recognizes and applauds the many contributions that Nancy has made to our community and local governments, and expresses our sincere appreciation and thanks for her service to our community, and for her unwavering care and dedication over the course of many years in the varied roles and offices she has held.

**2021 ASSISTANCE TO FIRE FIGHTERS GRANT PROGRAM
REGIONAL GRANT APPLICATION
MEMORANDUM OF UNDERSTANDING (MOU)**

This Memorandum of Understanding (MOU) is being executed by the following listed participating agencies (hereafter “participating agencies”):

Enfield Volunteer Fire Company Inc.
Trumansburg Fire Department
City of Ithaca Fire Department

Nothing in this MOU should be construed as limiting or impeding the basic spirit of cooperation which exists between the participating agencies, listed above.

WHEREAS, the participating agencies have formed a working committee and developed a course of action to achieve the goals and objectives of the Assistance to Firefighters Grant Program (AFG); and

WHEREAS, the participating agencies have been identified as eligible jurisdictions able to collectively implement the objectives and goals of the AFG grant program; and

WHEREAS, the Enfield Volunteer Fire Company Inc. (Enfield) has been selected through this MOU to be the host agency to file a regional AFG grant application (the “Application”) on behalf of the participating agencies, and

WHEREAS, Enfield has been selected through this MOU to administer the 2021 regional AFG grant program award and agrees to be the host agency responsible for administration of the grant including asset accountability and reporting requirements for those assets acquired under the AFG regional application in the event of approval; and

WHEREAS, Enfield agrees to serve as host agent for the procurement and disbursement of all equipment received under AFG grant program award in the event of approval; and

NOW THEREFORE, in consideration of the mutual terms, conditions, promises, and covenants hereinafter set forth, the participating agencies agree as follows:

PURPOSE

This MOU establishes the relationship between the participating agencies for participation in a Regional 2021 Assistance to Firefighters Grant Program (AFG) grant award in the event of approval of the Application.

PROCEDURES

1. The Enfield Volunteer Fire Company (Enfield) will serve as the host agency to submit a regional 2021 AFG grant program application and serve as grant administrator for the participating agencies in the event of approval.
2. Pursuant to the AFG program guidelines, all items approved under the Application will be procured and administered through Enfield in the event of approval of the Application.
3. Enfield agrees, as host agency, to provide accountability for the assets acquired under the regional AFG grant award and provide reporting requirement deliverables. As such, participating agencies agree to provide Enfield with this information on a timely basis to remain in compliance with the requirements of the grant.
4. The participating agencies agree to accept the 2021 regional AFG grant program award and accept their respective items as listed in the AFG grant application in the event of approval.
5. The participating agencies agree to provide the required cash match in the amount of 10% of the total cost of their requested items as detailed in the grant application as required under the regional AFG Grant Program guidelines. The required match shall be paid by the participating agencies upon receipt of an invoice from Enfield, in advance of equipment procurement.
6. In the event of a reduced award, the participating agencies agree to accept this reduced amount and provide a 10% cash match on the total reduced award amount of their approved items.
7. Any expenditure beyond the grant award for an agency's approved item(s) remain the sole responsibility of that agency.
8. The participating agencies agree to allow Enfield to procure and distribute their respective assets if awarded under the regional AFG grant program.
9. The participating agencies agree to participate in cooperative training on all equipment procured under this grant award as appropriate. As host agency, training will be coordinated through Enfield.
10. The participating agencies agree to maintain/repair all items awarded to them under the Application in accordance with the manufacturer's warranty, and to replace the equipment if it becomes inoperable for a period of three years after official closeout of the grant agreement.
11. The participating agencies agree to promptly provide any additional documentation to Enfield as requested, that may be necessary in connection with the grant.
12. Participating agencies agree to promptly return any equipment or deliverables that are received in error to Enfield.

13. The grant award to each agency is as follows:

EQUIPMENT	portables
Enfield	22
Trumansburg	32
Ithaca	63

TERM AND TERMINATION

This MOU shall be effective on the date of last signature of the participating agencies herein and shall continue in full force and effect for a period of five years after official closeout of the grant agreement.

GUIDELINES

In performing its duties, responsibilities and obligations pursuant to this Agreement, each participating agency agrees to adhere to the requirement standards set forth in the AFG grant program guidance and Federal OMB Circular A-133 as applicable.

RECORDS

1. Each participating agency understands that any and all records created as a result of participating in this federal grant program may be subject to the public disclosure pursuant to the Public Records Statute and shall be responsible for compliance with any public records request served upon it and any resultant award of attorney's fees for noncompliance.
2. Each participating agency shall maintain its own respective records and documents associated with this MOU sufficient to demonstrate compliance with the terms of this agreement for a period of five years from the close-out date of the agreement, and shall allow Enfield and the District of Homeland Security access to such records upon request.

EXECUTION

This agreement may be executed in counterparts each of which shall be deemed an original and all of which together shall be considered one and the same agreement.

INSURANCE OR SELF-INSURANCE

Each participating agency, at its sole cost and expense, shall carry insurance, or self-insure, its activities in connection with this MOU, and obtain, keep in force and maintain, insurance or equivalent programs of self-insurance, for general liability, professional liability, workers compensation, and business automobile liability adequate to cover its potential liabilities hereunder. Each participating agency agrees to provide the other forty-five (45) days' advance written notice of any cancellation, termination or lapse of any of the insurance or self-insurance coverage.

INDEPENDENT CONTRACTOR

This MOU does not create an employee/employer relationship between the parties. It is the intent of the parties that each participating agency is an independent contractor, and each participating agency shall assume responsibility for all personnel costs for its respective employees, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social

Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.

INDEMNIFICATION

Each participating agency shall be separately liable and responsible for the actions of their respective officers, agents and employees in the performance of their respective obligations under the MOU.

To the extent permitted by law, each participating agency shall indemnify, defend, and hold Enfield, its officials, agents, servants and employees, harmless from any and all liability, actions, causes of action, suits, trespasses, damages, judgments, executions, claims and demands of any kind whatsoever, in law or in equity, which results from or arises out of the negligent acts or omissions of the participating agency or its employees, and the participating agency shall indemnify Enfield, its officials, agents, servants and employees, for damages, judgments, claims, costs, expenses, including reasonable attorney's fees, which Enfield, its officials, agents, servants and employees, might suffer in connection with or as a result of the negligent acts of the participating agency or its employees. For purposes of this provision, the participating agency's employees shall not be deemed agents or servants of Enfield and Enfield's employees shall not be deemed agents or servants of the participating agency. The participating agency will at all times be entitled to the benefits of sovereign immunity as provided in New York Statutes. Nothing contained in the Agreement shall be construed as a waiver of sovereign immunity.

To the extent permitted by law, Enfield shall indemnify, defend, and hold participating agency, its officials, agents, servants and employees, harmless from any and all liability, actions, causes of action, suits, trespasses, damages, judgments, executions, claims and demands of any kind whatsoever, in law or in equity, which results from or arises out of the negligent acts or omissions of Enfield or its employees and Enfield shall indemnify participating agency, its officials, agents, servants and employees, for damages, judgments, claims, costs, expenses, including reasonable attorney's fees, which participating agency, its officials, agents, servants and employees, might suffer in connection with or as a result of the negligent acts of the Enfield or its employees. For purposes of this provision, Enfield employees shall not be deemed agents or servants of participating agency and participating agency's employees shall not be deemed agents or servants of Enfield. Enfield will at all times be entitled to the benefits of sovereign immunity as provided in New York Statutes. Nothing contained in the Agreement shall be construed as a waiver of sovereign immunity.

GOVERNMENTAL IMMUNITY

Each participating agency is a municipal corporation existing under the laws of the state of New York. Each agrees to be fully responsible for acts and omissions of their agents or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by a political subdivision of the state of New York to be sued by third parties in any matter arising out of this Agreement or any other contract.

NOTICES

Any and all notices given or required under this Agreement shall be in writing and may be delivered in person or by United States mail, postage prepaid, first class, and certified return receipt requested, addressed as follows:

or to such other address as any party may designate by notice complying with the terms of this Section. Each such notice shall be deemed delivered on the date delivered if by personal delivery of overnight courier; on the date upon which the return receipt is signed or delivery is refused or the notice is designated by the postal authorities as not deliverable, as the case may be if mailed.

MISCELLANEOUS

1. COMPLIANCE WITH LAWS

The participating agencies shall comply with all federal, state, and local laws, codes, ordinances, rules, and regulations which may be applicable in performing its duties, responsibilities, and obligations pursuant to this MOU.

2. JOINT PREPARATION

The participating agencies acknowledge that they have sought and received whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this MOU has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3. APPLICABLE LAW AND VENUE

This MOU shall be interpreted and construed in accordance with and governed by the laws of the State of New York. Venue in any proceeding or action among the parties arising out of this MOU shall be in Tompkins County, New York.

4. INCORPORATION BY REFERENCE

The truth and accuracy of each "Whereas" clause set forth above is acknowledged by the participating agencies.

5. ENTIRE AGREEMENT

This MOU contains the entire understanding of the participating agencies relating to the subject matter hereof superseding all prior communications between the parties whether oral or written. This MOU may not be altered, amended, modified, or otherwise changed nor may any of the terms hereof be waived, except by written instrument executed by the participating agencies. The failure of a participating agency to seek redress for violation of or to insist on strict performance of any of the covenants of this MOU shall not be construed as a waiver or relinquishment for the future of any covenant, term, condition or election but the same shall continue and remain in full force and affect.

6. SEVERABILITY

Should any part, term or provision of this Agreement be by the courts decided to be invalid, illegal or in conflict with any law of this State, the validity of the remaining portions or provisions shall not be affected thereby.

7. UNCONTROLLABLE FORCES

Participating agencies shall not be considered to be in default of this MOU if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this MOU and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

8. ASSIGNMENT

Participating agencies shall not assign or transfer its rights, title or interests in the MOU.

9. SIGNATORY AUTHORITY

Each participating agency shall supply Enfield with copies of requisite documentation evidencing that the signatory for the participating agency has the authority to enter into this MOU.

10. NO THIRD PARTY BENEFICIARIES.

The participating agencies expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this MOU. None of the parties intend to directly or substantially benefit a third party by this MOU. The

parties agree that there are no third party beneficiaries to this MOU and that no third party shall be entitled to assert a claim against any of the parties based upon this MOU. Nothing herein shall be construed as consent by an agency or political subdivision of the State of New York to be sued by third parties in any matter arising out of any contract.

11. CAPTIONS

The captions, section designations, section numbers, article numbers, titles and headings appearing in this MOU are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this MOU, nor in any way effect this MOU and shall not be construed to create a conflict with the provisions of this MOU.

12. AMENDMENTS

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this MOU and executed by each party hereto.

13. NO GRANT OF AGENCY

Except as the participating agencies may specify in writing, no participating agency shall have authority, expressed or implied, to act on behalf of the other participating agencies in any capacity whatsoever as an agent. No participating agency shall have any authority, express or implied, pursuant to this MOU, to bind the other participating agency to any obligation whatsoever.
