Mayor Hart thanks the committee for its work. Trustees and Planning Board and ZBA are reviewing Comp Plan draft, which can be viewed at <https://trumansburg-ny.gov/documents/644/2021DraftCompPlan.pdf> . Trustees are taking public comments by email. A public hearing is planned for May or June 2021. The hope is for the zoning revision work to be completed by late 2021.

Zoning discussion continues on Article 3 (Residential Zoning Districts). Mostly we discussed regulations for ADU's (Accessory Dwelling Units). Committee should keep in mind the Action Items from the Comp Plan that involve zoning revisions.
