I have been a Hopewell resident since 1996 when my wife and I built the home in which I still reside. Our two adult children, Matthew and Natalia, both currently live in the area.

I was raised in a blue collar family in the Rochester area. My father and brothers worked in heavy equipment operation, construction and the trades. I have been privileged to have gained much knowledge about those industries from working alongside them on various projects.

My early adult career began as a materials handler/truck driver and I later became a tractor trailer driver. Currently, I drive school bus for special needs children for the Victor school district part-time.

My hobbies consist of riding my motorcycle, boating, hunting, and a little bit of fishing. I volunteer at Foodlink at the Wellspring Church location.
